As the first Montessori school settled in Valencia, our dedication to AMI principles and our partnership among the school, families, and broader community makes Valencia Montessori School one of the finest Toddler, Primary and Elementary schools. We intend to remain a model of excellence as we continue to provide education for life. In 2012, a small family school named Valencia Montessori School opened the first Montessori school settled in Valencia, with two classrooms from 18 months to 6 years old and 6 educators and 39 children. Today, our Community is 150 families, 28 team, all focused on: The child. The child. The child. We attend children from 18 months to 12 years old.
